

About Our School

Our school motto is 'Striving for Success' and we pride ourselves in providing first-class teaching and learning for everyone, in a safe and supportive environment.

We are a Queensland State Primary School with a student population of approximately 720 students, ranging from Prep to Year 6.

We look forward to getting to know you and your children, to provide them with a fun and friendly learning experience and to help you prepare them for an exciting learning journey in Kindy and then to their entry into Prep.

SANDY STRAIT STATE SCHOOL KindyLinQ

This is a free program for children
born between
1/07/2019 - 30/06/2020
Parents/ Carers and siblings attend too!

Every Wednesday
8:45 - 11:45am

Meet the Facilitators

My name is Jaci Molen. I have a long association with Sandy

Strait State School, teaching here

full time since 2005. Over my teaching career, I have taught Preschool, Prep, Special Education and Early Intervention, supporting children with diverse learning needs in Prep and Year 1.

I have four adult children, who all attended Sandy Strait State School, and seven grandchildren, ranging in age from 6 months to 7 years.

Supporting children to reach their full potential is my passion, and I look forward to working with you and your children.

I'm Donna Farrell. I have been a

at Sandy Strait since 2009. For the past 10 years, I have worked in Prep and recently, I have loved supporting students and teachers in every grade across our school, in a variety of roles, including working in KindyLinQ for the past three years.

My three teenage daughters all completed their primary education at Sandy Strait.

I am excited to warmly welcome you and your family to our KindyLinQ group and I look forward to spending time together, sharing ideas, supporting each other and having lots of fun as we go.

Routine

- Every Wednesday (during school terms)
- From 8:45 - 11:45am

During this time, we will spend the morning together engaged in:

- Art and craft activities
- Music and movement
- Outdoor play
- Story time
- A cooking program
- Shared morning tea

What to Bring

- A sun safe hat
- Water bottle
- Change of clothes (sometimes we get messy!)

How much does it cost?

KindyLinQ is a free program. Raising children is a tough job and we want to support you. We will provide all activities including:

- Morning tea for adults and children
- A cooking Program

Our Location

Strong Start Early Learning Centre
We have easy access through the 'Prep Gate'. Use the gate just near the pedestrian crossing.

The centre is fully air-conditioned and we have access to our own toileting facilities and a nappy changing area.

How to Enrol
